Engineering in Europe

Contents

- 4 ▶ Taking Deliveries Seriously
DoDs only dedicated birthing pavilion key to Vicenza community
- 8 ▶ Cultural Cooperation
Corps employees, Israelis, focus on cultural similarities to get job done
- 12 ▶ Schooling in the Streets
Sophisticated training center in Israel's Negev desert one-of-a-kind
- 16 ▶ Katrina Clean Up
Regional safety team deploys to Mississippi to keep employees safe
- 18 ▶ Sharing his Knowledge
Civil engineer teaches the wonders of science to Mississippi students

Engineering in Europe is an unofficial publication of the U.S. Army Corps of Engineers, Europe District, authorized under the provisions of AR 360-1. The editorial views and opinions expressed are not necessarily those of the U.S. Army Corps of Engineers or the Department of the Army. *Engineering in Europe* is a command information publication of the U.S. Army Corps of Engineers, Europe District. Circulation is 800 copies. Articles, photographs, and other contributions are welcome. The editor reserves the right to make changes to all material submitted. The submission deadline is the 1st of the month preceding quarterly publication. Send submissions to: Editor, *Engineering in Europe*, U.S. Army Corps of Engineers, Europe District, CMR 410, Box 1, APO AE 09096. Details may be obtained from the PAO at (011) 49-611-816-2847 or DSN 336-2847. Material may be sent via e-mail to: brian.h.temple@usace.army.mil An electronic version of *Engineering in Europe* may be viewed on the Europe District Internet homepage at: www.nau.usace.army.mil

Commander:
Col. Margaret W. Burcham

Deputy Commander:
Lt. Col. Angela Maria Lungu

Public Affairs Chief:
Brian H. Temple

Layout/Design/Editor:
Brian H. Temple

On the Cover

Bob Sommer, project engineer, Europe District Southern Israel Program Office (right), updates Col. Margaret Burcham, commander, Europe District, on the new flight squadron complex for the Israeli Air Force on Hazerim Air Base. Sommer and the joint team of Corps and Israeli Defense officials are managing 40 projects on 13 installations and placed \$37.5 million worth of construction in fiscal year 2005.
