

## STUTTGART ▾

Phillip Pickett, project engineer, ensures the Panzer Bowling Alley's lanes are safely stored during construction. The \$4.2 million project will expand the facility from 12 to 24 lanes and will feature the latest in sound systems, bowling equipment, furniture, a fast food restaurant, and a soft play area for children.

## MANNHEIM ▾

Fritz Kroesen, project engineer (right), gets an update from Michael Keller on the Coleman Barracks flight tower. The joint venture between Peter Gross GmbH & Co. and d&b Bau will deliver a new tower for C. Company of 3-58th Aviation Regiment.

## RAMSTEIN ▾

Millions of dollars are pouring into construction at Ramstein Air Base, Germany, and Thomas Kies, project engineer (right), works with Staff Sgt. Larry Mackey, 86th Civil Engineer Squadron, on Phase 1 of the Combat Communications Squadron facility.
