Such persons must provide proof of their status when applying.</p>
<p>Area of Consideration</p>	<p>WHO MAY APPLY:</p> <p>Current INTERNAL Local National Employees throughout Germany. This covers all current Local National employees of the U.S. Forces in Germany, including U.S. Air Force and AAFES-Europe within Germany</p> <p>and</p> <p>EXTERNAL Local National Applicants, who reside in Germany.</p> <p>RELOCATION EXPENSES UP TO € 4267.00 MAY BE AUTHORIZED.</p>
<p>Duties</p>	<p>Serves as an Architect for the US Army Engineer Division, Europe (USAEDE), Technical Engineering Branch. As a senior architect, employee may specialize in terms of a functional area, geographical area, and/or facility type. May perform special studies (e.g., standardization of construction details in Turkey; development of standard definitives, etc.). Conducts design reviews of the architectural features of multimillion dollar projects designed by A/Es, host nation agencies and contractors. Assignments include, but are not limited to, new construction of large, complex structures such as maintenance facilities for motor vehicles, aircraft or missile systems; industrial facilities for repair and renovation of military equipment; hospitals, large schools, etc. Projects are designed for construction in Germany and other European and Middle Pastern NATO or allied countries. Individually prepares architectural portions of in-house design of US/NATO overseas military construction projects. Design reviews and design development are complicated by the requirement to adhere to US and Foreign building, safety and fire codes; the US and foreign materials and equipment, differences in materials, equipment standards and construction techniques.</p> <p>Performs detailed reviews of design concepts, preliminary design, preliminary design, pre-final and final design for a wide variety of large, complex projects. Design</p>

	<p>documents are reviewed for conformance to OCE guide specs, Host Nation requirements, adherence to project criteria, military design manuals, and fire and life safety codes. Projects are reviewed for sound functional, aesthetic and architectural practices and economy of design. Coordinates architectural design reviews with other in-house review disciplines to assure that all comments and changes are discussed, understood, consistent and incorporated into completed design documents. Provides architectural design advice and assistance on unusual or complex architectural questions to other Division engineers, construction elements, and the Using Service, i.e., Army, Air Force, Navy and Host Nations' representative.</p> <p>Reviews, develops and distributes new architectural criteria to appropriate engineering elements. Determines action to be taken for incorporating change in existing criteria, manuals and guides. Defines action for design modification to plans and specs which may cause amendments to a bid document or change orders to a construction contract. Prepares recommendations, with justification, for modification to OCE standard plans, specs and criteria based on field experience, design deficiencies and peculiarities of overseas design and construction. Prepares plans, specifications and criteria for architectural requirements not covered by OCE criteria. Compiles technical data including design analyses and submits findings through correspondence, reports or memo for record. Conducts research for use of alternate materials, hardware, etc. with detailed data and justification to include date sources and costs for changes. Develops definitives to assist in DOD standardizing program.</p>
<p>Qualification Requirements</p>	<p>Explanations to the E&T Levels (Education and Training Levels) can be found at the below link "Description of the Education & Training Levels".</p> <p>E&T Levels I thru IV: not creditable for positions in this occupational series.</p> <p>E&T Level V: Applicants for positions in this series are required to be graduates from a Fachhochschule, a Berufsakademie, or a Technische Hochschule as an Engineer in the discipline specifically required for the position. Graduates must be fully recognized by German authorities to practice the engineering profession in Germany. Applicants from foreign countries must obtain an equivalent certification from pertinent German authorities that certifies recognition to practice the engineering profession in the area of specialization of the position.</p> <p>Office Automation Skills required.</p> <p>Driver's license class B required.</p> <p>LANGUAGE PROFICIENCY LEVEL:</p> <p>English and German Language Proficiency Level III required. (Excellent = Level III, Good = Level II, Fair = Level I). Civilian Personnel may administer an appropriate English test.</p> <p>Language Proficiency Level Definitions Description of the Education & Training Levels</p>
<p>Selective Placement Factor</p>	<p>not applicable</p>

Conditions of Employment

This is a permanent full-time (38.5 hrs. /week) position.

Occasionally TDY (temporary duty) required.

Designated duty station is at present Wiesbaden. The future incumbent may be reassigned to another duty station within the same works council agency and commuting area (within the meaning of the legal ordinance on moving expense in its current version) of his/her present duty station.

NOTE FOR EXTERNAL APPLICANTS:

Police Good Conduct Certificate (Polizeiliches Fuehrungszeugnis). On initial appointment, or re-appointment after a break in service, candidates who have been selected for a position must present a police good-conduct certificate prior to appointment to the position. The applicant must obtain the certificate from the local resident registration office. The cost for the certificate is not reimbursable. Non-US citizen family members, except German citizens are exempt from this requirement.

Foreign National Screening (Sicherheitsueberpruefung): In accordance with USAREUR Regulation 604-1, within 3 days after appointment, a background check will be initiated to determine suitability for continued employment with the U. S. Forces in Germany. If results are unacceptable, employment will be terminated during the probationary period, or any time thereafter if the background checks reveal that the employee constitutes a security risk.

What we offer:

- An interesting job with a globally operating employer
- A generously designed collective tariff agreement for employees (CTA II) which guarantees the following conditions, among others:
 - attractive remuneration package
 - Christmas and holiday pay (together appr. a 13th monthly salary)
 - employer-financed company pension scheme (Allianz Group Insurance)
 - property accrual (VWL)
 - 30 days of annual leave (for a five-day week), 6 additional days for severely handicapped employees
 - additional days off on 24 Dec and 31 Dec
- In addition to the CTA II we offer:
 - a generously designed award program for service time and outstanding performance
 - free use of the U.S. Army fitness facilities (if available)
 - time off on U.S. holidays by redistributing working time (if regulated by a shop agreement).
