4. TERMINATION.

A. The Government may terminate this lease at any time, in whole or in part, by giving at least 90 days written notice to the Lessor. Said notice shall be computed commencing with the

C. The following conditions shall constitute default by the Lessor, and shall give rise to the following rights and remedies for the Government:

(1) Failure by the Lessor to perform any service, to provide any item, or satisfy any requirement of this Lease, without excuse, shall constitute a default by the Lessor. Subject to provision of notice of default to the Lessor, and provision of a reasonable opportunity for the Lessor to cure its default, the Government may perform the service, provide the item, or obtain satisfaction of the requirement by its own employees or contractors. If the Government elects to take such action, the Government may deduct from rental payments its costs incurred in connection with taking the action. Alternatively, the Government may reduce the rent by an amount reasonably calculated to approximate the cost or value of the service not performed, item not provided, or requirement not satisfied, such reduction effective as of the date of the commencement of the default condition.

(2) The Government may terminate the Lease if:

(i) The Lessor's default persists notwithstanding provision of notice and reasonable opportunity to cure by the Government, or

(ii) The Lessor fails to take such actions as are necessary to prevent the recurrence of default conditions, and such conditions substantially impair the safe and healthful occupancy of the Premises, or render the Space unusable for its intended purposes.

(3) Excuse. Failure by the Lessor to timely deliver the Space or perform any service, provide any item, or satisfy any requirement of this Lease shall not be excused if its failure in performance arises from:

(i) Circumstances within the Lessor's control;

(ii) Circumstances about which the Lessor had actual or constructive knowledge prior to the Lease Effective Date that could reasonably be expected to affect the Lessor's capability to perform, regardless of the Government's knowledge of such matters;

- (iii) The condition of the Property;
- (iv) The acts or omissions of the Lessor, its employees, agents or contractors; or
- (v) The Lessor's inability to obtain sufficient financial resources to perform its obligations.

Allowances may be made for normal delays resulting from the magnitude of the required repairs or from circumstances beyond

the Lessor's control, such as forbidden access to the premises from official, administrative, or judicial authorities.

6. RESPONSIBLE PARTY.

A. The Lessor shall not be responsible or liable for injuries to persons or damage to personal property when such injuries or damage are caused by or result from the Government's use of the premises under the terms of this agreement and are not due to the negligence of the Lessor, its representatives, or assigns.

C. In the event compensation is warranted, the Government shall pay to the Lessor a sum of money that represents the damage to an item that exceeds reasonable wear and tear, while also taking into account the item's remaining depreciable life. Regardless of the amount required by the Lessor to repair or replace the damaged item, said payment to the Lessor shall be reduced for 1) reasonable wear and tear and 2) the normal depreciation of said item. If there is no remaining depreciable life in the damaged item, Lessor shall not be entitled to any sum of money or other form of compensation. If commercially feasible, the Real Estate Contracting Officer, may require up to three estimates of damages to support the Lessor's damage claim.

D. Unless the Lessor offers contrary evidence at the time of execution of the Lease, and the Government affirmatively accepts an alternative depreciation schedule, all items within the demised premises, to include carpeting, flooring, and appliances, are subject to a five year straight line depreciation schedule, with the exception of interior paint (one year).

E. The Government will make every effort to effect the return of key(s) to the Lessor on or before the date of expiration or termination of this lease. However, it is the Lessor's responsibility to assure personal entry to the premises by retaining a duplicate set of key(s). Unreturned keys will not entitle the Lessor to a claim or other compensation.

F. The Government shall not be liable for further payment of rent beyond the date of termination or expiration for any reason, including due to key(s) not returned to the Lessor or during the time in which the Lessor must restore the premises to a habitable condition.

B. The Parties shall proceed diligently with their performance of this Lease, pending final resolution of any request for relief, claim, appeal, or action arising under the Lease.

15. GRATUITIES TO GOVERNMENT EMPLOYEES.

A. The Government may, by written notice to the Lessor, terminate the right of the Lessor to proceed under this lease if it is found, after notice and hearing, by the Secretary of the Army or his duly authorized representative, that gratuities (in the form of entertainment, gifts, or otherwise) were offered or given by the Lessor, or any agent or representative of the Lessor, to any officer or employee of the Government with a view toward securing a lease or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performing of such lease; provided that the existence of facts upon which the Secretary of the Army or his duly authorized representative makes such findings shall be an issue and may be reviewed in any competent court.

B. In the event this lease is terminated as provided in paragraph (A) hereof, the Government shall be entitled (1) to pursue the same remedies against the Lessor as it could pursue in the event of breach of the lease by the Lessor, and (2) as a penalty in addition to any other damages to which it may be entitled by law, exemplary damages in an amount (as determined by the Secretary of the Army or his duly authorized representative) which shall be not less than three nor more than ten times the cost incurred by the Lessor in providing any such gratuities to any such officer or employee.

C. The rights and remedies of the Government provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this lease.

16. OFFICIALS NOT TO BENEFIT.

No Member of or Delegate to Congress, or Resident Commissioner shall be admitted to any share or part of this lease contract or to any benefit that may arise therefrom; but this provision shall not be construed to extend to this lease contract if made with a corporation for its general benefit.

17. COVENANT AGAINST CONTINGENT FEES.

The Lessor warrants that no person or selling agency has been employed or retained to solicit or secure this lease upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Lessor for the purpose of securing businesses. For breach or violation of this warranty the Government shall have the right to annul this lease without liability or in its discretion to deduct from the rental price or consideration or otherwise recover the full amount of such commission, percentage, brokerage or contingent fee. (Licensed real estate agents or brokers having listings on property for rent, in accordance with general business practice, and who have not obtained such licenses for the sole purpose of effecting this lease, may be considered as bona fide employees or agencies within the exception contained in this clause.)

18. NON-DISCRIMINATION.

The Lessor shall not discriminate against any person or persons or exclude them from participation in the Lessor's operations, programs or activities conducted on the leased premises, because of race, color, religion, sex, sexual orientation, gender identity age, handicap, or national origin pursuant to Executive Order 13672, 21 July 2014.

19. EXAMINATION OF RECORDS.

The Lessor agrees that the Comptroller General of the United States or any of his duly authorized representatives shall, until the expiration of 3 years after final payment under this lease, have access to and the right to examine any directly pertinent books, documents, papers, and records of the Lessor involving transactions related to this lease.

20. FORECLOSURES – CHANGE OF OWNERSHIP.

A. If, during the term of this lease, including any renewals or extensions, title to this property is transferred to another party either by sale, foreclosure, condemnation, assignment, or other transaction, the Lessor (transferor) shall promptly notify the Government of said transfer. The following information shall accompany such notification:

- (1) A copy of the deed or other appropriate instrument transferring title or sufficient interest to lease to the property from the transferor to the new owner.
- (2) The new owner's tax identification or social security number.

B. The foregoing information must be received not later than twenty (20) days after the effective date of transfer of title. In any instance, failure to submit the documentation required for a transfer of title will result in a suspension of rental payments until such time as all documentation is received by the Government.

C. When the title to premises leased to the Government is transferred, a supplemental agreement shall be entered into by the old and new owners and the Government to reflect such change of ownership.

21. FORECLOSURES – SUBORDINATION, NONDISTURBANCE ATTORNMENT (SEP 1999).

A. Lessor warrants that it holds such title to or other interest in the premises and other property as is necessary to the Government's access to the premises and full use and enjoyment thereof in accordance with the provisions of this lease. Government agrees, in consideration of the warranties and conditions set forth in this clause, that this lease is subject and subordinate to any and all recorded mortgages, deeds of trust and other liens now or hereafter existing or imposed upon the premises, and to any renewal, modification or extension thereof. It is the intention of the parties that this provision shall be self-operative and that no further instrument shall be required to effect the present or subsequent subordination of this lease. Government agrees, however, within twenty (20) business days following the Government's receipt of a written demand, to execute such instruments as Lessor may reasonably request to evidence further the subordination of this lease to any existing or future mortgage, deed of trust or other security interest pertaining to the premises, and to any water, sewer or access easement necessary or desirable to serve the premises or adjoining property owned in whole or in part by Lessor if such easement does not interfere with the full enjoyment of any right granted the Government under this lease.

B. No such subordination, to either existing or future mortgages, deeds of trust or other lien or security instrument shall operate to affect adversely any right of the Government under this lease. Lessor will include in any future mortgage, deed of trust or other security instrument to which this lease becomes subordinate, or in a separate non-disturbance agreement, a provision to the foregoing effect. Lessor warrants that the holders of all notes or other obligations secured by existing mortgages, deeds of trust or other security instruments have consented to the provisions of this clause, and agrees to provide true copies of all such consents to the Government promptly upon demand.

C. In the event of any sale of the premises or any portion thereof by foreclosure of the lien of any such mortgage, deed of trust or other security instrument, or the giving of a deed in lieu of foreclosure, the Government will be deemed to have attorned to any purchaser, purchasers, transferee or transferees of the premises or any portion thereof and its or their successors and assigns, and any such purchasers and transferees will be deemed to have assumed all obligations of the Lessor under this lease, so as to establish direct privity of estate and contract between Government and such purchasers or transferees, with the same force, effect and relative priority in time and right as if the lease had initially been entered into between such purchasers or transferees and the Government; provided, further, that the Government and such purchasers or transferees shall, with reasonable promptness following any such sale or deed delivery in lieu of foreclosure, execute all such revisions to this lease, or other writings, as shall be necessary to document the foregoing relationship.

22. SOVEREIGNTY.

None of the foregoing provisions may be deemed or construed to imply a waiver of the Government's rights as a sovereign.
