

REQUEST FOR PROPOSALS
Solicitation number FR-24-001

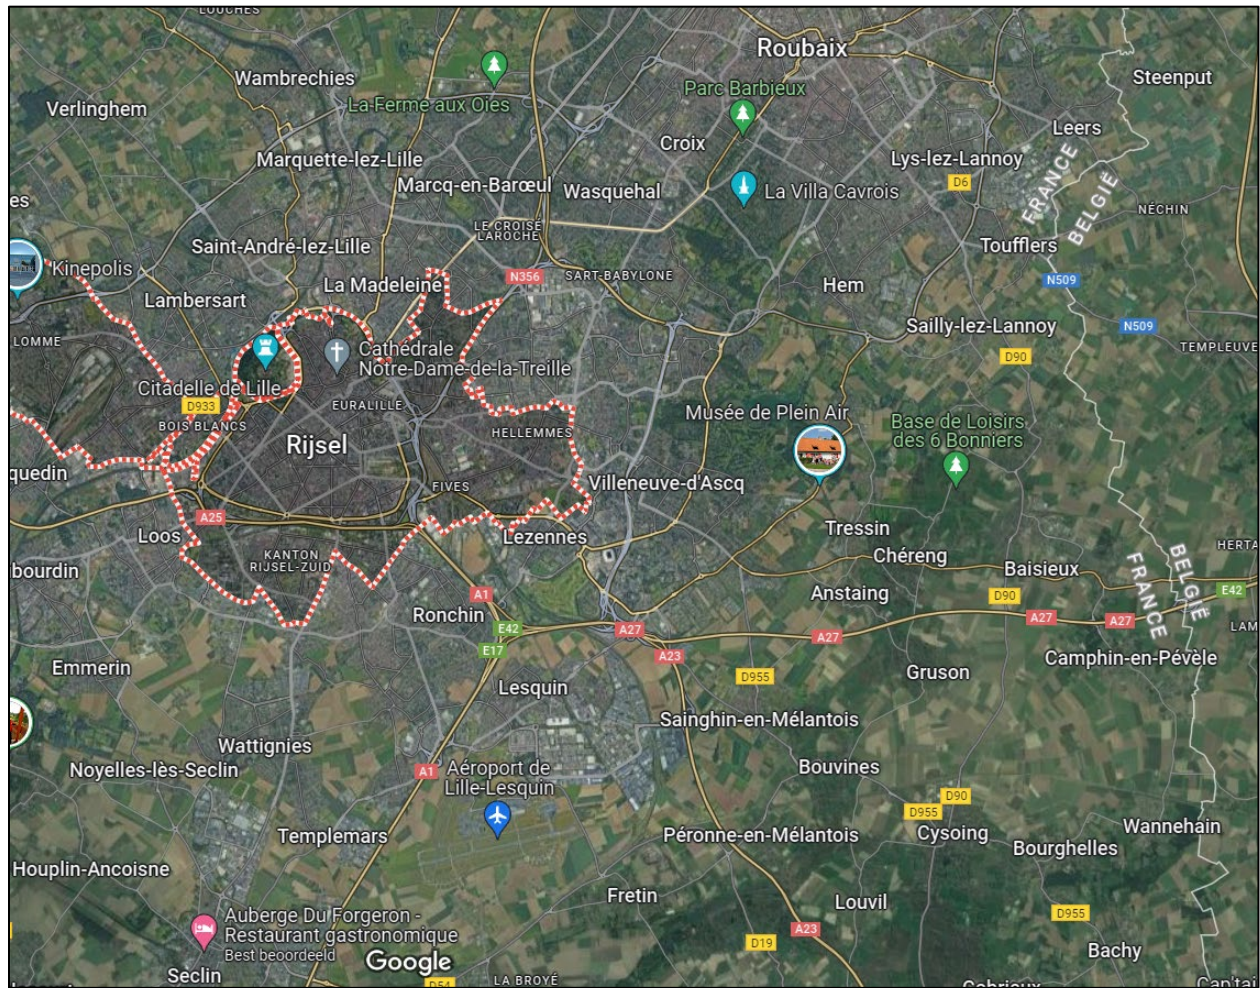

SUMMARY

The United States Government (U.S.) is seeking a five (5) year lease period for 1 (one) single-family residence (4 facades) or with a minimum of four (4) bedrooms and a minimum of three (3) full bathrooms in Lille France located in Marq-en-Baroeul, Mons-en-Baroeul, La Madeleine, Ville-neuve-d'Asq, Vieux Lille and surrounding areas, Bassieux/Camphin-en-Pevele, Seclin, Roubaix. The U.S. Government is seeking beneficial occupancy of the residence on or around **1 November 2024** but no later than 1 April 2025. This solicitation will remain open until the requirement has been filled. Initial due date for offers is 15 July 2024.

Proposals can either be for existing residences that are immediately available and meeting the requirements; or residences which must be altered to meet the requirements but can be made available and will meet all the requirements in this solicitation by the delivery date specified in this solicitation. Proposals will be accepted until the requirement is fulfilled and may be emailed to dll-cenau-netherlands.re.benelux@usace.army.mil and Paulien.d.loenen@usace.army.mil

NOTICE: This Solicitation is non-binding upon the U.S. Government and may or may not result in the award of a lease contract, subject to availability of appropriations of U.S. funding. Nothing in this Solicitation shall be interpreted to require obligations or payments by the U.S. Government in violation of the Anti-Deficiency Act (31 USC 1341).

DELINATED AREA MAP

- Adequate plumbing to prevent extreme fluctuations in water pressure and water temperature.

Services

- High speed internet available.
- Maintenance any existing landscaping (except for mowing), and for any other required maintenance of the exterior demised premises, to include, but not limited to, eaves, walls, patios, decks, sidewalks, drives, gutters, removal of tree leaves or needles, and tree trimming.
- Full maintenance, repair, and replacement of the residence and all Lessor provided systems and appliances.
- Full maintenance, repair, and replacement of all window and door frames, seals, hinges, and locks.

Contract Terms - The lease agreement shall be in English and in similar form to the attached draft lease. A courtesy copy of the lease can be provided in French upon request.

A. **Term:** 5-year term.

B. **Termination Notice:** The US Government will have the right to terminate the lease at any time with 90-days notice to the Lessor.

C. **Rent:** Rent will be paid quarterly, in advance, through Electronic Funds Transfer (EFT) in Euros. Proposals received with a rental price that is determined to be substantially above the market rate may be disqualified. The rent proposed in the offer should include all the requirements in this solicitation.

- D. **Security Deposit:** Due to U.S. fiscal law, the payment of a security deposit is prohibited. However, rent will be paid quarterly in advance as stated above. “Rent” and stipulations will be incorporated into the lease agreement regarding U.S. responsibility for damages beyond reasonable wear and tear.
- E. **Modification:** The U.S. Government will reserve the right in the lease agreement to make modifications to the residence. Modifications may include, but are not limited to, drapes/blinds, planters, security doors, closed circuit television (CCTV)/surveillance, additional electrical, mechanical or architectural work. Any work performed will comply with current International Building Code (IBC). Upon termination of the lease, any damages resulting from U.S. Government modifications will be repaired or the Lessor will be paid a reasonable sum of money agreed to by both parties for the repair of those damages.
- F. **Costs:** Initial security costs to be included in the lease.
- G. **Insurance:** The United States is self-insured. Separate insurance will not be purchased, but the occupants are advised to purchase insurance for their belongings and any damage they may cause.

PROPOSAL SUBMISSION

A. Proposal Submission Requirements

- 1) Description of the residence including full address.
- 2) Photographs of the residence clearly depicting the interior, exterior and street views.
- 3) Written certification from the Offeror that the property is free of all environmental/health hazardous materials, such as lead base paint, radon, and asbestos containing materials must be included with the offer.
- 4) Energy label certificate with a preferred DPE rating of A-C.
- 5) Proposed rental rate to include all the requirements listed above.
- 6) Floorplan or drawing of the residence’s layout.
- 7) Provide gross square meters and net living space as separate statistics with offer submission.

B. Proposal Submission Deadline

All proposals must be submitted via email to Paulien.d.Loenen@usace.army.mil and dll-cenau-netherlands.re.benelux@usace.army.mil or via regular mail to:

US Army Corps of Engineers
Benelux Real Estate Field Office
Attn: Paulien Loenen
Building 20120, Room T7-01
Chièvres Air Base
7950 Chièvres – Belgium

If delivering electronically and unable to send due file size. Contact the POC and “Request a Drop-off” for DoD SAFE. If using this method, please allow ample time for the file to be delivered. Federal Express or other delivery services cannot be used for this address.

PROPOSAL EVALUATION AND AWARD

A. Evaluation Factors: Proposals will be evaluated based upon the below factors:

- 1) Price
- 2) Floorplan Functionality
- 3) Location
- 4) Energy efficiency

B. Competitive Range

Received offers will be evaluated using the above factors to determine which represent the best value to the U.S. Government. The top offers will establish the Competitive Range. Offers that do not meet the minimum requirements listed in this Solicitation will not be considered. An authorized U.S. representative will inspect the offered residence and conduct negotiations to clarify any terms, requirements, or safety concerns. After negotiations, Offerors will have an opportunity to submit a revised “best and final offer” and a statement of financial responsibility and proof of ownership. After review of best and final offers is completed, the lease will be awarded to the Offeror whose offer is the most advantageous to the U.S. government. The lease shall be in English and use the attached standard U.S. Army Corps of Engineers overseas lease template.

C. Negotiations

Oral and/or written negotiations may be held with each responsive Offeror within the Competitive Range in order to clarify details and ensure mutual understanding.

D. Inspection

During or following negotiations, an authorized U.S. Government representative may inspect the proposed residence to verify conditions and potential security concerns. These inspections are likely to occur during the period of **16 through 30 September 2024**, during which time the residence must be made available for viewing. If correctable security concerns are identified, the Offeror will be notified of any required modifications.

E. Best and Final Offer

Concluding negotiations and inspections, competitive Offerors may be provided an opportunity to revise and submit a Best and Final Offer.

F. Award

Best and Final Offers will be reviewed and the U.S. Government may execute a lease with the Offeror selected for award. This lease will be similar to the attached Draft Lease and executed in English with a courtesy copy in French, if requested. Despite the foregoing, the U.S. Government reserves the right to award and execute a lease based on initial proposal submissions. Commission to a real estate agent may be paid, however, it will be as a reimbursement to the Lessor.
